

Grade 6
Unit 3
Lesson 1 Practice

Name _____
Date _____
Period _____

Rewrite each decimal as an equivalent fraction. Simplify if possible.

1. 1.36

2. 0.022

Convert each fraction to an equivalent decimal.

3. $\frac{17}{20}$

4. $2\frac{1}{5}$

Rewrite each decimal as a percentage.

5. 6.31

6. 0.007

Convert each percentage to an equivalent decimal.

7. 5%

8. 138%

9. Select all numbers that are not equivalent to 0.04. Show your work.

$$\frac{2}{5}$$

$$0.4\%$$

$$0.40\%$$

$$\frac{4}{100}$$

10. Emilio claims that 0.025 is equivalent to 25%. Explain whether or not he is correct.
