

Name: _____

Period: _____ Date: _____

7th Grade
Lesson 2.7 Skills Practice Worksheet

Directions: Use the bag of marbles below to answer the problems.

1. What is the theoretical probability of pulling a white marble?
2. What is the theoretical probability of pulling a striped marble?
3. What is the theoretical probability of pulling a black marble?

Elain pulled a marble and replaced it back in the bag 20 times. Her results are below.

Marble Color	Times pulled
White	14
Striped	5
Black	1

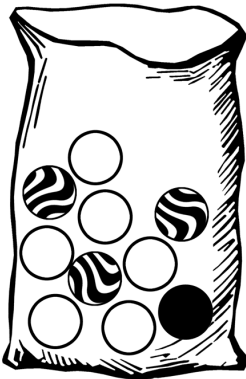

4. What is the experimental probability of pulling a white marble?
5. What is the experimental probability of pulling a striped marble?
6. What is the experimental probability of pulling a black marble?
7. What is the difference between theoretical and experimental probability?
