STUDENT BEHAVIOR CONTRACT

7th Grade Math • 2026–2027 • Dr. Myung Hwoi Kuh

Purpose

This contract outlines the behavioral expectations for all students in 7th Grade Math. It is designed to ensure a safe, respectful, and productive learning environment for every student. By signing this contract, the student and parent/guardian acknowledge that they have read, understood, and agree to uphold these expectations throughout the 2026–2027 school year.

Classroom Rules & Expectations

Students are expected to follow these rules at all times:

1. **Be Respectful.** Treat the teacher, all classmates, and classroom property with respect at all times. Use appropriate language. Disagreements are resolved through calm, constructive communication.
2. **Be Responsible.** Arrive on time, bring required materials (pencil, paper, notebook, calculator), and be seated and ready to learn when the bell rings.
3. **Be Ready to Learn.** Give full attention during instruction. Raise your hand before speaking. Phones and personal devices must be stored and silenced unless explicitly permitted by the teacher.
4. **Complete Your Work.** All assignments, classwork, and homework are to be completed honestly and on time. Academic dishonesty (cheating, plagiarism, or copying) will not be tolerated.
5. **Follow All School Policies.** Adhere to all rules outlined in the student handbook, including the school's dress code, technology policy, and hallway conduct.

Consequence Ladder

Violations of the above expectations will result in the following progressive consequences:

- Step 1: **Verbal Warning.** The teacher will privately redirect the student and remind them of expectations.
- Step 2: **Conference & Reflection.** Student will meet briefly with the teacher to discuss the behavior and complete a written reflection.
- Step 3: **Parent/Guardian Contact.** The teacher will contact the parent/guardian via phone or email to discuss the ongoing behavior.
- Step 4: **Office Referral.** The student will be referred to school administration. This step applies to repeated violations, defiance, or any behavior that disrupts the safety of the classroom.

Note: Severe behaviors (physical aggression, threats, possession of prohibited items) will result in an immediate office referral, bypassing the above steps, in accordance with school and district policy.

Student Commitment

I have read and understand the classroom rules and consequences. I agree to follow these expectations and take responsibility for my behavior in 7th Grade Math.
