

Grade 6 Accelerated
Unit 2
Lesson 5 Practice

Name _____
Date _____
Period _____

1. A list of financial terms is shown.

taxes income deposit costs withdrawal return on investment expenses

Explain which financial terms are associated with subtraction and why.

Samir works at a café. He makes \$18.55 per hour. Last week, Samir worked 22 hours and paid \$43.62 in taxes.

2. What was Samir's gross income last week? Show your work.
3. What was Samir's net income last week? Show your work.
4. Suppose Samir also earned \$78.32 in tips last week, what is his net income then?
5. Marshawn has \$3,857.28 in his checking account. If he withdraws \$728.50, what will his new account balance be?

6. Aria has \$985.98 in her savings account. She has a check to deposit for \$247.84. What will her new account balance be after she deposits the check?

Hamilton is on the committee to plan his middle school dance. Their budget is shown.

Item	Amount
Ticket price in advance	\$3.75
Ticket price at the door	\$5.00
Fee paid to DJ	\$223.50
Cost to purchase decorations	\$37.89
Cost to purchase snacks	\$40.36
Snack price at the dance per item	\$1.00

7. Complete the table by listing each item from the budget as part of the gross income or part of the expenses.

Part of Gross Income	Part of Expenses

8. The Dance Committee sold 172 tickets in advance. What was their income from advance ticket sales?
9. What was the amount of the Dance Committee's total expenses?
10. Suppose their gross income was \$632.50. What was the Committee's net income?
