

Geometry
Unit 2
Lesson 4 Practice

Name **Answer Key** _____
Date _____
Period _____

For questions 1-3, use the quote shown.

"If you look at what you have in life, you'll always have more" – Oprah Winfrey

1. Write the converse of this statement.

"If you always have more, then you'll look at what you have in life."

2. Write the inverse of this statement.

"If you do not look at what you have in life, then you'll never have more."

3. Write the contrapositive of this statement.

"If you will not always have more, then you won't look at what you have in life".

For questions 4-6, use the quote shown.

"The harder I work, the more luck I seem to have" – Thomas Jefferson

4. Write the converse of this statement.

"The more luck I seem to have, the harder I work."

5. Write the inverse of this statement.

"The less I work, the less luck I seem to have."

6. Write the contrapositive of this statement.

"I seem to have less luck, the less I work."

For questions 7-8, use the quote shown.

"If life were predictable it would cease to be life, and be without flavor" – Eleanor Roosevelt

7. What is the hypothesis?

Life was predictable.

8. What is the conclusion?

It would cease to be life and be without flavor.

For questions 9-10, use the quote shown.

"If you're not making mistakes, then you're not doing anything"- John Wooden

9. Write the inverse.

If you are making mistakes, then you are doing something/anything.

10. Write the contrapositive of the quote.

If you are doing anything, then you are making mistakes.
