UNO rules.

How to play UNO.

Match the top card on the DISCARD pile by either number, color, or word.

For example, if the card is a Green 7, you must play a Green card or any color 7, or you may play any Wild card or a Wild Draw 4 card. If you don't have anything that matches, you must pick a card from the DRAW pile. If you draw a card you can play, play it. Otherwise, play moves to the next person. Before playing your next-to-last card, you must say "UNO." If you don't say "UNO" and another player catches you with just one card before the next player begins their turn, you must pick FOUR more cards from the DRAW pile.

If you are not caught before the next player either draws a card from the DRAW pile or draws a card from their hand to play, you do not have to draw the extra cards. Once a player plays their last card, the hand is over. Points are tallied (see Scoring section) and you start over again.

If you forget to say, "UNO" before your card touches the DISCARD pile, but you catch yourself before any other player catches you, you are safe and not subject to the 4- card penalty.

You may not catch a player for failure to say "UNO" until his/her second-to-last card touches the DISCARD pile. Also, you may not catch a player for failure to say it after the next player begins his/her turn. "Beginning a turn" is defined as either drawing a card from the DRAW pile or drawing a card from your hand to play.

If the last card played in a hand is a Draw 2 card or Wild Draw 4 card, the next player must draw 2 or 4 cards, depending on the card played. These cards are counted when points are totaled.

If no one is out of cards by the time the DRAW pile is depleted, reshuffle the DISCARD pile and continue play.
